Guild of Master Craftsman Publications Ltd. Pamphlet. Book Condition: new. BRAND NEW, Bath Bombs, Elaine Stavert, A warm, relaxing bath is the ultimate cosy treat for unwinding after a hard day, or when muscles ache, or when winter holds everything in its icy grip. Bath worshippers everywhere will love the 15 bath bomb recipes contained in this book; they will transform bath time from an enjoyable experience to one that is truly pampering. A bath bomb is made from just three main ingredients: citric acid, bicarbonate of soda and water, which are mixed together, moulded and left to dry hard. When popped into a warm bath, the resulting bomb fizzes and effervesces as it is immersed in the water, releasing any aromatic oils, herbs and butters you may have added to the mixture, and leaving the water fragrantly scented, soft and moisturising. The easy-to-follow instructions in this book will show you how to make a variety of delightful, aromatic bath bombs. We're sure you will enjoy making them and, more importantly, using them.".
