Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from How to Teach the Critical Difficulties of Arithmetic: To Accompany the California State Series Advanced Arithmetic; For Normal Students and Experienced Teachers The helps and suggestions given in this bulletin for teaching each of the topics of the State Series Advanced Arithmetic may be applied to the work of any arithmetic text. Teachers will find the miscellaneous questions and tests given at the end of each topic useful in many ways. They may be used as thorough reviews at the beginning of a new term or as tests for new pupils who enter late in the term. Such tests should help to determine the points in which a pupil's knowledge is deficient. The classification of the problems of pages 18 through 165 of the State text will be of much service to the teacher who is using this portion of the textbook. High school students desiring to enter the Normal School, will find that the bulletin outlines the scope and type of the arithmetic work with which students must be familiar before they can...
