Vietnam Above the Treetops: A Forward Air Controller Reports (Paperback)

By John F. Flanagan

ABC-CLIO, United States, 2000. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It is 1966, the war is escalating, and a young Air Force Academy graduate's assignment is to patrol unfriendly territory with six-man hunter-killer teams. As a Forward Air Controller, flying single engine spotter planes, Flanagan is the link between fighter-bomber pilots and ground forces. This autobiographical account recreates the period when Flanagan, assigned to Project Delta, was plunged into major operations in key combat areas. Spectacular airstrikes, team rescues, lost men, thwarted attempts to save comrades--all are recounted here with raw honesty. A factual combat history from one man's perspective, this is also a thoughtful look at the warrior values of bravery, honesty, and integrity. Flanagan examines the influences that help build these values--educational institutions, the military training system (including the service academies), and religion--and reflects on the high cost of abandoning them. In Vietnam Above the Treetops, Flanagan traces his life from adolescence through the training period, combat missions of all kinds, and re-entry into the everyday world. His war tales take us to key regions: from the Demilitarized Zone, south through the Central highlands,...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
