Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).
(Robyn Nolan)

Ballantine Books, Westminster, Maryland, U.S.A., 2001. Soft Cover. Book Condition: New. Minor cover wear. Initials on first page. When Mikaela Campbell, beloved wife and mother of two, falls into a coma, it is up to her husband, Liam, to hold the family together, to care for their grieving, frightened children. Day after day, he sits by her bedside, telling stories of the precious life they have built, hoping, always hoping, that she will wake up. Then he discovers evidence of her secret past: a hidden first marriage to Julian True, a man no woman could resist . . . or forget. Desperate to bring Mikaela back at any cost, Liam turns to the one person who could make her respond and who could take her out of his arms forever.
