

The Emperor's General (Paperback)

By James Webb

Random House USA Inc, United States, 2000. Paperback. Book Condition: New. Reissue. 175 x 109 mm. Language: English . Brand New Book. Captain Jay Marsh had never questioned where his ultimate loyalty lay. He had witnessed the bloody horror left behind by the retreating Japanese army during World War II's final days. And he had abandoned his beautiful Filipina fiancee to see his duty through. But not even Marsh could guess the terrible personal price he would have to pay for his loyalty. He would follow General Douglas MacArthur to Tokyo itself. There he would become the brilliant, egocentric general's confidant, translator, surrogate son--and spy. Marsh would play a dangerous game of deliberate deceit and brutal injustice in the shadow world of postwar Japan's royal palaces and geisha houses, and recognize that the defeated emperor and his wily aides were exploiting MacArthur's ruthless ambition to become the American Caesar. The Emperor's General is a dramatic human story of the loss of innocence and the seduction of power, about the conflict between honor, duty, and love, all set against an extraordinary historical backdrop.

Reviews

This is the finest book I have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Keanu Johns

This is the finest book I have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.

-- Tobin Lesch
