The MI Strategy Bank: 800+ Multiple Intelligence Ideas for the Elementary Classroom (2nd Revised edition)

By Ellen Arnold

Zephyr Press. Paperback. Book Condition: new. BRAND NEW, The MI Strategy Bank: 800+ Multiple Intelligence Ideas for the Elementary Classroom (2nd Revised edition), Ellen Arnold, Elementary educators learn to recognize how students learn best - and adjust their lesson plans accordingly - with this handbook's Multiple Intelligence (MI)-based strategies. Starting with a diagnostic interview for each child that helps teachers develop the best instructional methods for their classrooms, this guide provides hundreds of specific teaching methods that strengthen each of the eight intelligences in any classroom situation. Case studies from actual strength-based assessments (one for each of the eight intelligences) outline examples for how these strategies can be applied at any grade level to improve such skills as reading, writing, spelling, math, note taking, and listening, as well as to minimize behavior problems. In this updated edition, 50 specific strength-based interventions that range from vocabulary retention and reading comprehension to self-discipline and task completion show how each of the eight intelligences can be utilized in the teaching of a single lesson. A selection of grade-specific content includes using MI theory to teach story writing, singing, and democracy.

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e ebook. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- Mark Bernier
