John Wiley and Sons Ltd, United Kingdom, 2010. Hardback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. An educational innovator who worked at Sesame Workshop and The George Lucas Educational Foundation offers a new vision for learning As a result of constant innovation, learning is no longer limited by traditional confines and we're moving beyond students tied to their chairs, desks, and textbooks-and teachers locked away in classrooms. In Education Nation author Milton Chen draws from extensive experience in media-from his work on Sesame Street in its nascent years to his role as executive director of the George Lucas Educational Foundation-to support a vision for a new world of learning. This book, in six chapters, explores the edges in education the places where K-12 learning has already seen revolutionary changes through innovative reform and the use of technology. \* Examines ways in which learning can be revolutionized through innovative reform and the use of technology \* Explores the ever-expanding world of technology for breakthroughs in teaching and learning \* Includes many wonderful resources to support innovation in schools across the nation This important book offers a clear vision for tomorrow's classrooms that will enhance learning opportunities for all children.
