Includes Nixons most notorious quotes. Includes footnotes for further reading. Best known as the 37th President of the United States, and the only president in American history to resign his office, Richard Nixons lengthy political career would put him, during various times, at the center of regional, national and international politics for several decades. It was to be a career filled with unexpected twists and turns, high-profile defeats and unlikely resurrections, in which he made exhaustive efforts to reinvent himself in the public eye. From humble beginnings filled with disparate influences, Nixons extraordinary intellect, strategic brilliance and imposing style of confrontation saw him through a stellar academic career at Duke Law School to seats in both the House and Senate, the vice-presidency and finally, the presidency, where he was and is considered by many to be among the strongest foreign policy presidents in the history of the United States. By 1972, Nixon appeared to be well on his way to reelection, and sure enough, he enjoyed one of the biggest landslides against George McGovern that year. However, despite the fact that Nixons reelection seemed a cinch, the seeds of his destruction were being sown in the months leading up to the election. Increasingly and mistakenly viewed as a single scandal within the United States government, what is commonly referred to as the Watergate scandal serves as an overarching term for a series of scandals beginning in 1971 and extending through 1974, although more than any other, it refers to the specific break-in at the Watergate Hotel and office complex in Washington, D. C. The crisis, originating in a secretive battle between the two major political parties,...
