This book is written for the trusting public. Not unlike the myth that your 401k will be there to help you in your golden years requires faith and confidence in a reasonable level of oversight, the myth that your hospital is prepared to keep you safe from inside and outside threats requires the same level of confidence in the industry's oversight. . Experience shows us that best defense against physical, psychological and economic harm is to be a knowledgeable consumer. Much in the same way that planning for your financial future is filled with unk. This item ships from La Vergne, TN. Paperback.
