They seemed like an unusual couple from the outset. In 1794, Dolley Payne Todd was widely considered one of Philadelphia s most beautiful belles, an exceptionally pretty 26 year old with dark curly hair, dancing blue eyes, and as much elegance and social grace as anyone. James Madison was 17 years older, already balding, and just barely five feet tall, unattractive physical characteristics in a modern sense. Yet the two were incredibly close and devoted to each other, and the two of them went on to instrumentally shape the course of American history as one of America s greatest Founding Fathers and First Ladies respectively. The Founding Fathers have become so revered by Americans in the last 200 years that the Father of the Constitution himself is often overlooked among the rest of the pantheon. Today James Madison s legacy mostly pales in comparison to the likes of George Washington, Ben Franklin and his closest colleague, Thomas Jefferson, but Madison s list of important accomplishments is monumental. A lifelong statesman, Madison was the youngest delegate at the Continental Congress from 1780-83, and at 36 he was one of the youngest men who headed to Philadelphia for the Constitutional Convention in 1787. Despite his age, he was the Convention s most influential thinker, and the man most responsible for the final draft of the U.S. Constitution. Along with Alexander Hamilton and John Jay, Madison was one of the most persuasive advocates for ratifying the Constitution, authoring some of the most famous Federalist Papers, and he drafted the Bill of...
