Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Mosaic Record and Modern Science Many Sabbath-school workers and Bible students have felt and expressed surprise that during the late discussions and explanations of the International Lesson Series, the Mosaic account of creation received such unsatisfactory defence. Though familiar with the current difficulties and objections, and in some instances unable to answer them, still the teacher and the student had not been alarmed; they presumed, that, when this subject should be critically examined and commented upon by the pulpit and the press, perfectly satisfactory explanations would be given. But as a matter of fact, we have to confess that a large number of even the more common objections either were not well met, or were passed in silence. Now, only a moments reflection is needed to show how unreasonable is the demand that all difficulties should be exhaustively examined and satisfactorily reviewed in the studies of a few weeks.
