SIMON SCHUSTER, United States, 2012. Hardback. Book Condition: New. 211 x 145 mm. Language: English . Brand New Book. The second book in The Chemical Garden Trilogy reveals a world as captivating--and as dangerous--as the one Rhine left behind in *Wither*. Rhine and Gabriel have escaped the mansion, but they re still in danger. Outside, they find a world even more disquieting than the one they left behind. Determined to get to Manhattan and find Rhine s twin brother, Rowan, the two press forward, amid threats of being captured again.or worse. The road they are on is long and perilous--and in a world where young women only live to age twenty and men die at age twenty-five, time is precious. In this sequel to Lauren DeStefano s harrowing *Wither*, Rhine must decide if freedom is worth the price--now that she has more to lose than ever.
