Ballantine Books, United States, 2015. Paperback. Book Condition: New. 173 x 104 mm. Language: English . Brand New Book. From New York Times bestselling author Jacquelyn Frank comes a blazing hot novel in her thrilling series featuring four immortal warrior brothers whose fate lies with themselves as much as with their stars. After being chained to a star to burn endlessly as punishment for stealing immortality from the gods, Jaykun has been unshackled to wage war alongside his brothers. But his freedom comes with a price: Each night Jaykun must still suffer his body burning from the inside out. One early morning, recovering from his torment, he encounters a beautiful stranger on the beach. Naked from her midnight-black hair to her sandy toes, she approaches him with starry-eyed innocence and the unmistakably full body of a woman. Soon Jaykun is swept up with the force of a comet, his desire for this woman hotter than any sun. His brothers fear he is blinded by her radiant beauty, and that she has been sent by their enemies to seduce and destroy him. Jileana is indeed from another world one Jaykun cannot begin to imagine. But will their passion burn brightly enough to light the way through the darkness that threatens to consume all in its path?.
