Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Retirement is on the way for every baby boomer in America. How their finances stack up when they retire will go a long way toward determining the sort of retirement they'll be able to enjoy. Unfortunately, far too many approach retirement ill-prepared. Either they've simply not saved enough or what they have managed to put away has been invested in the wrong places. *Boost Your Retirement Income Now!* is designed to address the financial challenges of retiring. Starting with the basics, we walk the reader through every important element that pertains to building a financially solid retirement plan. Along the way, we offer tips and advice to help them check to make certain they remain on track with their 401(k) and IRA accounts. We'll also discuss other important elements needed to achieve a secure retirement, including health and long-term care insurance, housing, the cost of living, and Social Security. We encourage them, with the help of this book, to become pro-active in planning for their retirement.
