

Alternative Revolution Magazine: Special Edition Louise Cantwell Photography (Paperback)

By Michael Enoches

Michael Enoches, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. Alternative Revolution Magazine W/Louise Cantwell Photography. I am a photographer from a small town in Scotland near Glasgow. I started photography nearly 7 years ago and I have never looked back. I am completely self-taught and I approach the process from a more emotive and fashion perspective than from a technical point of view. As a teenager I became fascinated with alternative/gothic fashion and music and because of where I grew up there were not many opportunities to explore these genres. I always wished I were artistic but I could not draw or paint. I always wanted to be musical but I never had the patience or skill to learn to how to play anything properly and like most things in my life I would give up on this pretty quickly. I have a very vivid imagination and extremely complex and vivid dreams. I have a creative mind but previously had no way of expressing myself or my ideas. When I started portrait photography I very quickly realized I had found a way to make these ideas...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
