

## Free to Be Sexually Safe: Empowered to Be Aware and Take Action at All Ages (Paperback)

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

iUniverse, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Humans are innately sexual beings, so why do we have such a hard time talking about sex? We must shift our attitudes surrounding sexuality and sexual safety toward empowerment to make decisions and take action to ensure sexual safety of individuals, families and communities. Author Anjella Skerritt, a registered nurse, midwife, and family nurse practitioner who has worked extensively in sexual and reproductive health, offers this guide to help start the discussion. Parents are reluctant to talk honestly and openly about sex with their children; sexually active adults are reluctant to communicate honestly about their sexual history; and teens and adolescents pay the price imposed by this pervasive culture of shame, anxiety, and secrecy. It s time to peel away the embarrassment and start a new conversation. By learning to talk honestly and openly about sex, you gain power over your life as a sexual being, and you give power to your children s future sexual safety and happiness. Sex and sexuality are intensely private matters, but there shouldn t be secrets between lovers, and there shouldn t be shame when a parent discusses sex with his or her children. Information is power; in *Free to Be Sexually Safe*, you ll find the tools to start conversations about anatomy, safety, myths and taboos, urban legends, religion, and more. Sex is a natural, healthy part of life. By accepting the challenge to change the way you think and talk about sex, by taking full responsibility for your decisions and actions, and by extending respect to-and expecting respect from-your partners, you can change or save lives.
