EDITIONS SUTTON, 2012. Paperback. Book Condition: NEUF. Que serait la longue histoire des sapeurs-pompiers français si on oubliait de citer les engins de secours et d'incendie qu'ils utilisent depuis toujours ? De la première pompe hippomobile à vapeur au dernier camion porte-berce, c'est plus d'un siècle d'histoire que ces véhicules ont à raconter. Aux côtés des engins traditionnels, premiers secours, fourgons et échelles, nos sapeurs-pompiers disposent d'un parc de camions-grues, de véhicules de secours routiers, d'extinction de feux, de dépollution, sans compter les secours aux blessés et aux accidentés. La panoplie est vaste. Quelle aventure, à la fois technologique et humaine ! Après avoir lu ce livre, votre regard sera plus admiratif encore devant les camions rouges que l'on croise au quotidien dans nos villes et dans nos campagnes. L'auteur, Roland André, lui-même ancien pompier de Paris et pompier volontaire, dédie ce livre à tous les combattants du feu, civils et militaires, ainsi qu'à tous les amoureux de ces véhicules rouges aux formes surannées qui nous replongent avec délice dans notre enfance ! - Poids : 601g - Genre : Loisirs Auto Moto Avions Bateaux Trains EVOCATIONS.
