Timmy TeaCup is a small white teacup with green spots. He lives with his mom, grandma, and great-grandma on an old piecrust table with lots of other teacups--all of them much fancier than him! But Timmy wishes to be something different: he wants to be a hot chocolate mug--sturdy and strong and having lots of fun with the children of the house instead of the little old ladies who visit and drink tea from the teacups. One day, Timmy gets his wish; he transforms into a big, strong hot chocolate mug. He is thrilled! But as he begins to experience life as a mug, he realizes that he still feels like a thin, fragile teacup on the inside. Maybe being a hot chocolate mug isn't what he wants after all. In this delightful children's story, a small white teacup is transformed by a wish, goes on exciting adventures, and learns to appreciate his family, his home, and - most of all - HIMSELF!.
