Between the pages scuttles passion and promises that shape the destiny of us all. Words create, convey, condemn, without fear. They reveal new ideas and perspectives with simple combinations. Words are beauty. Within this collection you will find the first volume of poems by the poet Phen Weston as he delves into words to discover his own path through life, where ever that may lead. From raw emotion, to tales of the undead, be prepared to visit the unimaginable scale of human emotion, interaction and imagination. Some of these poems are true, most beyond false. But they are all Phen, inside, outside, ripped apart and reborn. Love. Hate. Horror. Each word begins a journey.
