Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Book 2 of The Truth Series. Truth is harder the second time around. So is trusting your heart. Ella Ingraham almost falls for Josh Devereaux's easy charm and effortless smile. God knows, she wants to. He's made her feel more than anyone has in a long time, both in and out of bed. But one phone call changes everything. Especially when the truth about Josh is on the other end of that call. Now Ella isn't sure which is worse: Josh lying to her about his past, or the fact she can't stop thinking about him anyway. Not that he's making it easy. Josh wants to make things right and he has a plan for stopping her ex's slander campaigns against her before her next big book release. Even Ella has to admit it's a better plan than she -- or her lawyer -- have come up with. For the plan to work, though, Ella has to not only rely on Josh but trust him. Implicitly. Ella knows she'd be a fool to trust him a second time. So why is her heart trying to convince her otherwise?.
