

## Ethics: A Very Short Introduction

By Simon Blackburn

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Ethics: A Very Short Introduction, Simon Blackburn, Our self-image as moral, well-behaved creatures is dogged by scepticism, relativism, hypocrisy, and nihilism, by the fear that in a Godless world science has unmasked us as creatures fated by our genes to be selfish and tribalistic, or competitive and aggressive. In this 'sparklingly clear' (Guardian) introduction to ethics Simon Blackburn tackles the major moral questions surrounding birth, death, happiness, desire and freedom, showing us how we should think about the meaning of life, and how we should mistrust the soundbite-sized absolutes that often dominate moral debates.
