John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, QuickBooks 2012 For Dummies, Stephen L. Nelson, QuickBooks 2012 For Dummies is a big help for small businesses. Most businesses can't afford a Big Four accounting firm to handle their books. That's why so many small-to-mid-size businesspeople turn to QuickBooks to help them keep track of their finances. Bestselling author Stephen Nelson returns with updated coverage of the latest revisions and enhancements to the leading small business accounting software package. After a quick review of bookkeeping basics, you'll discover how QuickBooks can help you build the perfect budget, process payroll, simplify your tax return prep work, create invoices, manage inventory, generate income statements, balance accounts, and much more. You'll learn what you should do before you install and set up QuickBooks, then move onto basic bookkeeping concepts and the fundamentals of building a solid budget. You'll also discover how to enter data, create invoices, and record and print sales receipts; keep track of your inventory, payroll, and budgets; monitor your job costs; and generate the most common financial reports with ease. Veteran author Stephen Nelson updates his perennial bestseller and offers you easy-to-understand coverage of the newest release of QuickBooks. Enables you to take control of managing your own business accounting and financial management tasks so you can avoid having to hire expensive outside help. Provides expert advice for getting started with QuickBooks, building the perfect budget, processing payroll, creating invoices, managing inventory, tracking job costs, generating income statements, balancing accounts, creating financial reports, and more. QuickBooks 2012 For Dummies helps you handle your financial management tasks more effectively so that you can get down to business!.
