Brand New Book ***** Print on Demand *****.Adonya will never see the suns rise again. The suns bring beauty to the world, beauty that she craves. They also bring Bright, who she is desperate to see, but can't. Last time she allowed herself to be controlled by love, her mother died. Terrifying things lurk in the dark like Night--the god who tried to kill her. Adonya hates him, but he's become obsessed with her ever since he met her. He says there is something special about her, something that makes him desire to either sleep with her or kill her. He shows her that the opposite of love is not hate. Her lack of indifference towards him shows that in a twisted way, she cares about him as well. Anger can intermingle with desire and create an explosion of passions unlike anything Adonya has experienced before. Maybe a little fling won't hurt anything. After all, Adonya is used to playing with fire. But what will happen when Bright finds out that she is sleeping with his brother?.
