Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Learn the Hidden Truth About the Banking Industry! What are the big banks up to? Do you have any idea what goes on behind closed doors? Would you like to know the truth? Thank God for Money Laundering: Big Banks Sure Do! describes how drug smugglers, terrorists, and common criminals launder money through our biggest and most trusted banks. Paying special attention to American Express, this book explains how money laundering works, and why it is tolerated by the US Government. You ll learn how our modern banking system grew out of the goldsmithing industry and began the hidden fraud of fractional reserve banking. This book also explains how the Federal Reserve was created, and how money equals debt. Even more disturbingly, it describes how big banks created the financial disaster of 2008, tricked thousands of homeowners into foreclosing on their mortgages, and faced little or no punishment from our justice system! This revolutionary book cites many examples of wrongdoing by the nation s top 20 banks. It explains: How big banks launder dirty money every day The balance of deposit insurance versus government strength Fake debt and false promises American Express Patterns and Practices How and why the 2008 Wall Street Collapse Happened Thank God for Money Laundering: Big Banks Sure Do! helps you understand how one of Wall Street s most prestigious banks creates fake debt, charges fake fees, and generates fake profits. These false profits influence stock market prices, meaning your investments might not be worth what you think they are! Here s a preview of what you can learn from this revealing book: Did you know that corporate profits at many of Wall Street...
