Createspace, United States, 2012. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****. Do you dream of riding FEI? But are you sick of riding the same dressage tests over and over again, and never getting the scores to advance? And are you overwhelmed by the stress of practicing all year, reading every dressage book, and trying your hardest but not understanding why it is never good enough? Let me show you how to break out of the adult amateur trap and learn the dressage skill set you need to ride with the professionals at FEI. My name is Jenna Smith, and I was stuck at Training Level for six long years, never even qualifying for Regional Dressage Championships. Two years later I had my USDF BRONZE MEDAL and placed in the 2ND, and 3RD Level Dressage CHAMPIONSHIPS for Region 8! At one big dressage show loaded with professionals, instead of last place, I won the High Score Award for ALL the horses at ALL the levels! Can you imagine how that felt? One year after that, in 2007, I won my USDF SILVER MEDAL, and also won 3RD PLACE at Region 8 Dressage CHAMPIONSHIPS for Prix St Georges! Finally at FEI, and actually beginning to school Grand Prix movements! In fact if I hadn't contracted a severe case of Lyme disease (see Dressage Today issue October 2008) only weeks after Championships I would have certainly won my gold medal within the next several years based on my Secrets that were working so well for me. Let me show you the dressage secrets to: *go down the center line in total relaxation; *never forget a movement in a test again; *enjoy warm-up at shows; *qualify for championships; *experience harmony with...
