There are therefore some things retained in it which are not fit for the public generally; but which could not for the student be properly suppressed. The very value of such a work depends on the fidelity with which all is told. To be a trustworthy exposition of the native mind it must exhibit every side of it. I have felt what so many other collectors of such legends among other people have felt before me, that I have had a trust committed to me, and that I can only faithfully execute it by laying every thing before others. But it would be quite easy to prepare a Popular Edition, which with a few alterations in the tales, and a condensation and modification of the phraseology, might become an interesting and not uninstructive book for the people generally and especially for the...
