

The Heresy of Job (Paperback)

By Francis Coutts

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. William Blake (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. From the PREFACE. Job was a type of Humanity, cast forth upon this dust-heap that we call the Earth, there to be taught that the search for an infinite God must be an infinite search. He was not a sceptic; he did not deny God or reject Religion; but he was a heretic, inasmuch as he could not accept the teaching of Religion as final, and, like Jesus, he vindicated the right of all men to seek God in their own way: God is a Spirit, and they that worship him must worship him in spirit and in truth. The heresy of Job, by the genius of a poet who lived perhaps in the period following the return of the Jews from Babylon (538 B.C.), became one of the grandest epic utterances ever given to the world. Its scope is the relation between God and man; its effect is a vast emancipation-no less than a freeing of the human spirit from thraldom to an idol, the god of a religion, into the...

Reviews

I actually started looking over this publication. It really is rally interesting throgth studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
