

Refurbish Antique Telephones for Fun and Hobby: Step by Step Instructions to Take an Old Telephone and Return it to Its Original Working Order. No Electronics or Telephone Knowledge Needed. (Paperback)

By Ed Mitchell

Trafford Publishing, Canada, 2011. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book. You don't need to know anything about electronics or telephones to refurbish your own non-working antique telephone. Simply follow the step-by-step procedures outlined in Refurbish Antique Telephones for Fun and Hobby to make your antique telephone look and work just as it did one hundred years ago. Turn a dust-laden oak wall phone into a beautiful piece of furniture that will serve as the focal point of an office, kitchen, or hallway. Transform a vintage Sultan phone from the 1920s into an instant conversation piece. Easy-to-follow circuit diagrams are provided, along with loads of pictures to help walk you through the process of restoring your own small piece of history. There are even instructions on how to create a hidden touch-tone dial. All you need to get started are some basic tools and an old telephone. So hit those antique stores and flea markets with abandon, because Refurbish Antique Telephones for Fun and Hobby will help make your next telephone restoration project a success.
